BFRC Open 50 metre Rifle Meeting 2012

This meeting is scheduled over 2 days for the cartridge matches. Currently 30 lanes are booked for the prone matches, 20 for the 3 x 40 & 10 for the 3 x 20. The maximum number of lanes we can apply for is 40 so get your entries in early to avoid disappointment.

In previous years we have tried to accommodate late entries for the prone matches but so many people have left it late to enter it has become very difficult for the organiser so don't be surprised if your entry is returned or refused if it is late! *If it is possible an extra prone match may be fitted in starting at 16:00, but there will be no Olympic final for this match.*

Notes: Prone rifle is **not** an aggregate competition. There will be a separate prize list for each match. **This year we will be running some Olympic Finals. Please read carefully the conditions for these finals as SOME are not run strictly according ISSF rules.**

Unfortunately we are unable to run an Air Rifle Competition this year as the range is unavailable.

ISSF timings will apply to all events. Equipment control MAY be required.

As in previous years we are hoping to hold a dinner held at the Army Target Rifle Club, subject to final confirmation of availability on Saturday 5th May, 19:30 for 20:00. Cost £20 per person. If you wish to attend please contact Hugh Webber.
